Guneet Kaur Kapur

Dear Guneet Kaur,

It is my pleasure to congratulate you on the Millburn Robotics Program's remarkable success at the 2026 VEX Robotics New Jersey State Championship. Congratulations to Teams Mayhem, Kinetic, and Riptide on earning the Think, Amaze, and Design Awards, and to all five Millburn teams on qualifying for the VEX Robotics World Championship. These accomplishments are a testament to the hard work, talent, and dedication of everyone involved.

Representing your school at such a high level is an outstanding achievement for which you should be extremely proud. The skill, creativity, and commitment required to compete in robotics are truly commendable, and your contributions as a member of the Millburn Robotics Program helped make this exceptional season possible.

Please accept my sincere congratulations on this well-deserved recognition. I wish you continued success in your future competitions and academic pursuits. If I can ever be of assistance, please do not hesitate to contact me.

Very truly yours,

John F. McKeon
